

ANNUAL REPORT
OF THE MUNICIPAL
OFFICERS OF
DALLAS PLANTATION

FOR THE FISCAL YEAR
JULY 1, 2022-JUNE 30, 2023

Annual Report of Dallas Plantation

For Fiscal Year Ending June 30, 2023

First Assessor Linda Jones	Assessor Patricia Ellis	Assessor Mark Bridges
Town Clerk Katrina Gacki	Treasurer Linda Dexter	Tax Collector Sheila Waldeck
Fire Warden Katrina Gacki	Health Officer Linda Jones	Animal Control Ryan Thompson
Emergency Manager Reginald Hammond	Road Foreman Mark Bridges	Plow Driver David Duchesne

RSU # 78 School Board Members

Kathleen Catrini and Joanna Farrar

Budget Committee Members

Linda Jones Elizabeth Flynn
Patricia Ellis Kathryn Pye
Mark Bridges Katrina Gacki
Linda Dexter

Town Clerk's Report

Vital Statistics

Births: 2

Marriages: 1

Deaths: 1

Auto Excise Collected: \$104,001.33

Respectfully,

Katrina Gacki, Town Clerk

Fire Warden's Report

A total of 94 permits were issued. You may obtain a burn permit through the Town Office or online at www.maineburnpermit.com at no fee. A burn permit is not required for a recreational campfire that does not exceed 3 feet in diameter at its base and 3 feet in height.

As a reminder, burning plastics, rubber, Styrofoam, metals, food wastes, chemicals, treated wood or other solid waste is prohibited.

Respectfully,

Katrina Gacki, Fire Warden

Local Health Officer Annual Report

Dallas Plantation

2022/2023

The past year saw no public health complaints or inquiries. Maine CDC continues to provide updates on a number of health concerns on their website: www.maine.gov/dhhs/mecdc.

Maine saw a marked increase in Animal Rabies activity. Please call Maine IF&W Warden Service Augusta 1-800-452-4664 if you encounter a suspected rabid wild animal and get in touch with your veterinarian if your pet has an encounter and your medical provider if you are exposed. For further information: www.maine.gov/dhhs/rabies.

All domestic dogs must be licensed with the town office requiring a current rabies vaccination.

Lyme and other tick borne disease as well as brown tail moth health risk concerns are also at the forefront, especially during the warmer months.

It is unlawful to discharge grey water above ground from your home and/or a trailer. Trailers temporarily allowed by permit prior to construction must be mobile to empty grey and black water tanks or hooked into the septic.

Do not bury construction materials on your site. Remove and dispose of them at the transfer station. Medicines and toxic materials should be disposed of through a community take back event or a sanctioned site. Rangeley police hold the medication take back events and Rangeley Lakes Building Supply is an authorized site for toxic materials such as paints, weed killers and other cleaning substances.

Testing your well water every year is recommended for bacteria and nitrates and every five years for arsenic, fluoride, uranium, radon, lead and manganese. Water test kits are available at the town office.

The Plantation is actively seeking a LHO after Dr. Oldham's retirement. Interested parties should contact the office for further information.

Respectfully,

Linda Jones

Note about the Audit Report

As of this printing, there is not a completed audit to be published in this year's report. Due to unforeseen circumstances Dallas Plantation had to find a new auditor to complete this year's report. RHR Smith and Company are now completing Dallas Plantation's yearly audit. There will be a copy available for review at the Town Office Monday, Tuesday, Thursday, and Friday 8:00 a.m. to 12:00 p.m. and 1:00 p.m. to 3:30 p.m.

Janet T. Mills
GOVERNOR

STATE OF MAINE
OFFICE OF THE GOVERNOR
1 STATE HOUSE STATION
AUGUSTA, MAINE
04333-0001

Spring 2024

Dear Maine Resident:

Since my first day in office, I have been guided by the belief that to strengthen our state, we have to invest in our greatest asset: the people of Maine. With the support of the Legislature, my Administration has invested in what people need to succeed — job training, child care, health care, education, broadband, and housing.

Those investments are working — small businesses are expanding their operations; people are moving here to work and raise their families; and graduates are staying in Maine to pursue rewarding, life-long careers — all encouraging signs that are reflected in the strength of our economy. In fact, Maine has the best rate of economic growth in New England and one of the best rates in the nation.

At the same time, we have our challenges. In late October, a gunman took the lives of 18 innocent citizens and injured many more in an act of senseless and unconscionable violence. Then, in December and January, heavy rains and powerful winds brought massive flooding that destroyed homes and businesses, roads, and bridges, and changed the very landscape of our coast.

I have proposed legislation to address both issues — first, to rebuild from these storms and prepare for those to come; and, second, to expand mental health services and keep weapons out of the hands of dangerous people to better protect public safety.

We have made good progress over the past five years to ensure that every person can find a good-paying job in Maine; have affordable health insurance; have the peace of mind that their children are safe at home and at school; breathe clean air and drink clean water and enjoy the rolling hills, lush forests, mighty rivers, and bold coast of Maine.

There are still plenty of challenges, particularly when it comes to the affordability of housing, child care, energy, and other things, but thanks to the resilience and the resolve of Maine people, I am more confident than ever before in the future of our state.

It is my honor to serve as your governor.

Sincerely,

Janet T. Mills
Governor

VETERANS' AFFAIRS

January 1, 2024

Dear Friends,

Thank you for allowing me to add my congratulations and gratitude for the positive differences each town and city in Maine makes for its people and ultimately for Maine as a whole. When I travel around the state and visit the various regions in Maine, I see firsthand the differences you all make, the focus you put on excellence, and the helping hands you extend to neighbors. I have learned valuable lessons watching your collaborations with each other. They got the State motto right – *Dirigo* – because you all certainly do lead the way and exemplify the best of Maine.

First, it was a true honor to be appointed to the Senate Veterans Affairs Committee this year to help address the challenges facing Maine veterans. We owe our way of life to these brave men and women and share a collective responsibility as a grateful nation to give back to our veterans. That means delivering veterans the benefits they have earned, addressing the veterans' suicide crisis, improving transition-to-civilian status programs, and ensuring every veteran can access essential services, like affordable housing and behavioral healthcare.

Next, one of the most significant infrastructure projects in Maine history is underway: affordable and universal broadband availability throughout the state. Supported through funding in the bipartisan infrastructure bill, we are now within striking distance of broadband service even in our most rural communities. Additionally, infrastructure improvements in our roads and bridges, water and septic upgrades for our towns and support for our workforce and employers are also in the pipeline. Serious steps are being taken to address the toll from substance abuse and to provide our older neighbors with resources to help them continue to stand strong throughout their golden years. It is my goal here to make sure everyone has access to stable employment opportunities and quality healthcare which is of critical importance to keep our families healthy and happy.

I am thankful for each town in Maine for their commitment to their communities, to their citizens, and to this country. I will do my part to listen to your concerns and work to find useful solutions to the issues you face. My offices throughout Maine remain available to you if you face hurdles with the federal government, whether it be veteran issues, social security problems, student loans, immigration, tax assistance and more. I hope you will reach out of my offices in Presque Isle, Bangor, Augusta, Portland, or Biddeford and allow me the chance to be part of your solutions. Together, I know we can continue to build a stronger, brighter future for our great state.

Maine is known for our grit and resiliency and we are making great strides — something others across the country have noticed. Thank you for being one of the reasons Maine is so special; it is not only a pleasure to serve you — it is a pleasure to know you. Mary and I wish you a happy and safe 2024.

Best Regards,

Jared Golden
Congress of the United States
2nd District of Maine

Dear Friends,

I hope this letter finds you safe and well. It's an honor to continue serving as your representative in Congress, and I take the responsibility very seriously. I appreciate the opportunity to update you on what I've been working on behalf of the people of the Second Congressional District.

Maine's heritage industries are the backbone of our state's economy. That is why one of the first bills I introduced in this Congress was the *Northeast Fisheries Heritage Protection Act*, which would prohibit commercial offshore wind energy development in Lobster Management Area 1 (LMA 1) in the Gulf of Maine. LMA 1 was identified by the Bureau of Ocean Energy Management (BOEM) as a potential commercial offshore wind site. LMA 1 is a critical and highly productive fishing ground for a variety of sea life, including lobster. Prohibiting offshore wind development in LMA 1 would help to avoid conflict with the New England commercial and recreational fishing industries. Additionally, the bill would initiate a federal study on the environmental review processes of any relevant Federal agencies for offshore wind projects in the Gulf of Maine.

I also continue to advocate on behalf of our veterans and those providing care to our former service members. The current pay for VA employees in the Kennebec and Penobscot counties does not reflect the critical services they are providing. As the oldest state in the nation, with the fifth highest veteran population, Mainers rely on the services offered at the Department of Veterans Affairs (VA) facilities. That's why recently, Senator Collins, Senator King, Representative Pingree, and I called on the Biden Administration to increase locality pay for VA employees in Kennebec and Penobscot counties. The level of care received is impacted by job vacancies, and the high turnover rate among its healthcare workforce is often the result of pay and compensation issues, which is further exacerbated by the increased cost of living.

Lastly, I'm excited that Mainers are continuing to reap the benefits of the *Bipartisan Infrastructure Law* (BIL). Recently, millions of dollars in grants have been awarded across the state, including \$35 million through the U.S. Department of Transportation's Culvert Aquatic Organism Passage (AOP) program to conserve spawning and migratory habitats for native fish species in Maine, \$460,000 through the Airport Infrastructure Grant (AIG) program for the Princeton Municipal Airport, Stephen A. Bean Municipal Airport, and Dexter Regional Airport, and nearly \$8 million through the Buses and Bus Facilities Program for Bangor's bus system. These investments are critical to ensuring Maine's infrastructure and will help to ensure Mainers and businesses across Maine are connected.

Regardless of the year, one of my top priorities is ensuring I'm accessible to you. My staff and I can help answer questions about and navigate federal programs; find resources in Maine; and resolve issues with Medicare, Social Security, the VA, and other federal agencies and programs. We are here to help:

- **Caribou Office:** 7 Hatch Drive, Suite 230, Caribou, ME 04736. Phone: (207) 492-6009
- **Lewiston Office:** 179 Lisbon Street, Lewiston, ME 04240. Phone: (207) 241-6767
- **Bangor Office:** 6 State Street, Suite 101, Bangor, ME 04401. Phone: (207) 249-7400

I look forward to building on momentum from recent legislative wins for Mainers and continuing to work on your behalf in 2024. Do not hesitate to reach out and voice an opinion on legislation, let us know about local events, or seek assistance navigating federal agencies or programs. It's an honor to represent you in Congress, and I wish you a healthy and prosperous year to come.

Respectfully,

Jared F. Golden
Member of Congress

Senator Lisa Keim
3 State House Station
Augusta, ME 04333-0003
(207) 287-1505
Lisa.Keim@legislature.maine.gov

Dear Friends and Neighbors:

Thank you for the opportunity to serve as your State Senator. I am humbled by the trust you have placed in me to be a voice for you, your family, and our community in Augusta. I continue to work tirelessly on your behalf.

The First Regular and First Special Sessions of the 131st Maine State Legislature were notable as there were over 2,600 legislative bill requests and 2,019 of them were officially printed as Legislative Documents (LDs). No legislature this century has had as many LDs printed during its first year.

Promoting policies that empower people to build a better future for themselves is always the focus of my work; in this era of diminishing personal liberty, restrictive regulations, and soaring costs, commonsense solutions have never been more essential.

We did find success in the Highway Fund. In the past, the Highway Fund has been supported through gasoline taxes, which have been declining for years due to more fuel-efficient and electric/hybrid vehicles, with a heavy reliance on bonds to fill the gap. However, we now have created a sustainable source of funding to maintain our transportation infrastructure by dedicating 40% of vehicle sales and use taxes collected by the Bureau of Motor Vehicles. This dedicated revenue stream is predicted to raise more than \$200 million for infrastructure each biennium and take us away from using borrowed money for basic upkeep.

The Second Regular Session began in January 2024. I have heard from many of you regarding the biggest concerns you are facing, including increasing energy costs, child care, education, housing, inflation, child welfare, mental health and substance abuse, workforce development, and community safety, among others. As your State Senator, I will continue to advocate for you in Augusta.

Again, thank you for electing me to serve you in the State Senate. Please do not hesitate to reach out with your comments or questions, or if you would like assistance in navigating our state's bureaucracy. I look forward to hearing from you!

Sincerely,

A handwritten signature in blue ink that reads "Lisa M. Keim".

HEARINGS, EDUCATION
LAW, LABOR, PENSIONS
SELECT COMMITTEE
ON THE STATES

Dear Friends:

It is an honor to serve the people of Maine in the U.S. Senate, and I welcome this opportunity to share an update on issues important to Maine and America.

One of my priorities for 2023 has been to improve the appropriations process in Congress – the way it decides how to spend taxpayer money. I took over as the Vice Chair of the Senate Appropriations Committee last year. Along with Chair Patty Murray, we decided the best change we could make was not to do something new. Instead, it was to do something old – that is, go back to the regular and transparent committee process that we used to have.

Part of restoring this process included holding 50 public Committee hearings, which allowed for input from senators on both sides of the aisle. As a result, for the first time in five years, the Senate Appropriations Committee passed all twelve of its funding bills on time. This was done with strong bipartisan support. In fact, seven of them passed unanimously.

Now, we need to work with the House of Representatives to pass these twelve bills and turn them into laws.

These bills contain funding for a wide range of Maine priorities, including support for the workforce at Bath Iron Works and Portsmouth Naval Shipyard, our lobster industry, infrastructure improvements, affordable housing, biomedical research, veterans, and heating assistance programs like LIHEAP. These bills also contain nearly \$590 million in Congressionally Directed Spending for 231 projects throughout the State of Maine. These projects would help promote job creation, expand access to health care, and improve public safety, infrastructure, and important resources in communities across all 16 counties of our state. I will continue to work to get these bills signed into law in the new year.

On October 25, the horrific mass shooting in Lewiston claimed the lives of 18 Mainers and injured 13 others. In response, I led Maine's Congressional Delegation in requesting an independent investigation by the U.S. Army Inspector General into the events leading up to the shooting. On December 15, the Under Secretary of the Army wrote to inform me that such an investigation will take place, and the Army Inspector General has instructed her team to immediately begin preparing to conduct this investigation. While nothing can undo the events of October 25, I will continue to work to understand what happened and what could have been done differently, and to find answers for the victims, survivors, and their families.

No one works harder than the people of Maine, and this year I honored that work ethic when I cast my 8,855th consecutive roll call vote.

As we look ahead to 2024, I remain committed to addressing the concerns of Maine families and communities. If you need assistance or wish to share your thoughts, please do not hesitate to reach out to one of my six state offices.

Sincerely,

Susan M. Collins
United States Senator

Dallas Plantation, ME 04970

Dear Friends and Neighbors,

As the second Regular Session of the Maine State Legislature convenes, I would like to thank you for granting me the opportunity to serve Dallas Plantation, and all of House District 73, in the Maine House of Representatives.

The First Regular Session of the Legislature was a busy one, as lawmakers faced many difficult issues and decisions. I believe you will be pleased with some of the accomplishments of the 131st Legislature so far. My colleagues and I were able to pass multiple bi-partisan spending agreements that included supporting hospitals and long-term care facilities, working to stabilize highway and road funding, and improving the efficient delivery of government services. I continue to support legislation that would reduce high-energy costs while shoring up supply resiliency and capacity, as well as procurement and generation priorities. As a member of the Legislature's Joint Standing Committee on Labor & Housing as well as the Committee on Environment and Natural Resources, I look forward to continuing my work during the Second Regular Session as we tackle matters that are crucial to our community.

I was elected to the Maine Legislature on the promise to represent you, the people of District 73. To do this, I will be seeking your input regularly and want to hear from you with your comments and concerns. Please call me anytime at **(207) 400-7233** or email at Mike.Soboleski@legislature.maine.gov to keep me updated on those concerns. If you would like to be added to my email update list, you can do so by signing up at the town office or emailing me directly with your request.

Again, thank you for giving me the honor of serving you in Augusta!

Sincerely,

Michael A. Soboleski
